

Good and Gracious King *(Prelude)*

*I approach the throne of glory
Nothing in my hands I bring
But the promise of acceptance
From a good and gracious King
I will give to You my burden
As You give to me Your strength
Come and fill me with Your Spirit
As I sing to You this praise*

*You deserve the greater glory
Overcome I lift my voice
To the King in need of nothing
Empty handed I rejoice
You deserve the greater glory
Overcome with joy I sing
By Your love I am accepted
You're a good and gracious King*

*O what grace that You would see me
As Your child and as Your friend
Safe secure in You forever
I pour out my praise again*

*Holy holy Lord Almighty
Good and gracious
Good and gracious
Holy holy Lord Almighty
Good and gracious King*

O Love that Wilt Not Let Me Go

Oh love that will not let me go
*I rest my weary soul in thee
I give thee back the life I owe
That in thine ocean depths its flow
May richer, fuller be*

Oh light that followest all my way
*I yield my flickering torch to thee
My heart restores its borrowed ray
That in thy sunshine's blaze its day
May brighter, fairer be*

Oh joy that seekest me through pain
*I cannot close my heart to thee
I trace the rainbow through the rain
And feel the promise is not vain
that morn shall tearless be*

Oh cross that liftest up my head
*I dare not ask to fly from thee
I lay in dust's life's glory dead
And from the ground there blossoms red
Life that shall endless be*
